MINUTE Number	Notes of the Meeting of Harmston Parish Council held in the Harmston Memorial Hall, School Lane, Harmston on Tuesday 17 <sup>th</sup> September 2019 at 7.30 pm	ACTION
	PRESENT: Cllr John Martin-Hoyes (Chair), Cllr M Jones (Vice-Chair), Cllr I Edgar, Cllr P Wallace.	
	Also present: Hayley Keeling (Clerk – See item 86d)  11 members of the Public.	
73	PUBLIC QUESTION TIME	
70	Mr Mottram gave a brief overview of planning application 19/0989/FUL Lodge Farm Heath Road Coleby Lincoln Lincolnshire LN5 0AR. The conversion of a barn into a café/restaurant. It would be a two storey building with 100 people seating capabilities. (Indoor & outdoor seating) Local produce would be used and local people would be employed. Cllr John Martin Hoyes enquired if the café/restaurant would be open 7 days a week. Initially working days would be Wednesday – Sunday with potential to be open more in future. Mr Mottram noted they have applied for a Licence to serve until 11pm so private parties can be catered for. Cllr M Jones noted it was a good location for passing trade and the Parish Council would look favourably upon the use of local produce & employment. No objections were received.	
	A number of residents raised concerns over planning application 19/1085/FUL Pig Fattening Unit. The neighbouring property owners raised concerns about the devaluation of their property due to odour, flies & vermin.  The business opposite the proposed site (Black Cat Travel) voiced several concerns, firstly about the additional traffic and unsuitable access. It was noted that LCC Highways Department has commented on this and made recommendations. Secondly they have contracts with LCC providing SEN Transport. There are concerns regarding the odour in the fabric and loss of business. Several of the students are autistic and others have severe allergic reactions so would their company still be considered suitable if the application is agreed? They currently employ 30 Local people. The pig fattening unit will be run by an outside company providing no local employment.  The welfare of the animals was also raised. The standard of living provided borders on commercial rather than agricultural. The residents raised concerns about protesters. Cllr M Jones is working on a draft paper pulling together the comments from this meeting and the meeting held on the 11 <sup>th</sup> of September 2019 about the planning application. Residents were encouraged to comment individually on the NKDC planning portal. The Parish Council will raise an objection detailing concerns and focusing on the planning element and proximity to the village. There will be a substantial effect on the landscape. The deadline for residents to comment on the application is the 20 <sup>th</sup> of September 2019.	
	A resident of Blacksmith Lane commented that traffic through the village is getting worse not better. He has personally complained to the crime commissioner. Concerns are that the situation will worsen upon completion of the Eastern Bypass. The timing on the lights is causing a build up of traffic which can be seen while driving up the hill causing vehicles to cut through the village to avoid this.  Previously the offending drivers have been given warnings. The question of how many convictions have been made was asked.  It was requested that a letter was sent inviting PC Hansen to the next Parish Council	
71	meeting.	HK
74	APOLOGIES AND REASON FOR ABSENCE Apologies were received from DCllr Lucille Hagues and DCllr Marianne Overton. Cllr B Hamiltion also sent his apologies – Reasons accepted.

	Cllr P Wallace declared an interest on item 9A Allotments.	
	He is a member of The Harmston Allotment Interest Group.
